## Message from the Artistic Director

Welcome to The Nutcracker: A Canadian Tradition!

Every year, Ballet Jörgen has the privilege of sharing this production and other ballets with over 50,000 people from coast to coast, bringing people together and to help build stronger communities through dance. The Nutcracker is a wonderful holiday tradition for so many Canadians and is often a child's first experience watching a ballet. For this reason, we are pleased to incorporate dance students into this production, as so many professional dancers start their careers as young performers in The Nutcracker!

When I thought about re-creating our Nutcracker, I wanted it to be a Canadian-inspired Nutcracker, one that would connect this wonderful ballet to our own heritage. I am particularly delighted to have created a ballet connected to one of my own favourite pastimes — canoeing in Ontario's Algonquin Park.

Sue LePage, our Set & Costume Designer and Heinar Piller, Stage Director, have contributed greatly to the creation of this unique re-imagining of the ballet. Thank you to Clea Iveson for suggesting the use of Group of Seven paintings as a backdrop for our stunning and dramatic Canadian landscapes and to the McMichael Canadian Art Collection for their help in making this uniquely Canadian production possible.

I am also indebted to the loyal supporters of Ballet Jörgen who have demonstrated extraordinary financial support including the late Ann & Lyman Henderson. Last season we celebrated the 15th Anniversary of the Nutcracker: A Canadian Tradition with the addition of a new section, Cottontail Rabbits, made possible with the support of Kathleen and Buck Henderson. This performance is in part made possible with support from National Presenting Partner BMO Financial Group, with touring support from the Ontario Arts Council. Additional support is provided by The Catherine and Maxwell Meighen Foundation, The Charles H. Ivey Foundation, The Azrieli Foundation and Ballet Jörgen donors. The Apprentice Program is made possible by RBC Foundation.

Thank you for coming and for making The Nutcracker: A Canadian Tradition part of your holiday season.

Enjoy the show!

# Synopsis

## Act I

It is Christmas Eve 1912, in the small village of Bisset, Ontario, north of Algonquin Park. The community is preparing for a holiday celebration and rare respite from every-day hard labor. People are gathering, a Christmas tree is cut and everyone heads to the school house for the festivities. Klara, a young girl recently orphaned and sent to Canada to join her older sister, arrives.

With the party already in full swing, Klara is warmly welcomed by everyone except by the daughter of the one well-to-do couple in the community, with whom Klara's sister is employed as a maid. The celebrations are interrupted by the arrival of a painter who brings handmade toys for the kids and a painting for his sweetheart, the local school teacher. Klara is left without a wooden toy, since she is an unexpected arrival but then she brings out the one heirloom from her home, a beautifully decorated Nutcracker. This immediately makes her the centre of attention. Jealous, the rich girl grabs the Nutcracker and in a fit of anger throws it into the wood stove. An inconsolable Klara stomps off, hides behind a school desk and falls asleep. As the Party comes to an end and everyone is leaving, Klara's sister is growing worried. When she cannot find her sister she rushes out together with the painter and the teacher to look for Klara.

When Klara wakes up she finds the school house deserted and growing cold. She is all alone! As the clock chimes 12 times, her world starts to change. Creatures of the wood are intruding; giant sized toys come alive and from the stove pops a life size Nutcracker. She is no longer alone. She has a friend! Together they have to face the attacks of King Bat and his cunning compatriots. A wild battle ensues, ebbing back and forth. Bowling pin Mounties join the fray, but it is Klara and the Nutcracker who save the day and defeat King Bat. As the walls of the school house fade away, Klara and the Nutcracker enter the beautiful snow covered forest on a sleigh drawn by white tailed deer. Out of the snow beautiful snowflakes appear, mesmerizing and blowing Klara and the Nutcracker deep into the forest. As the snow starts to fall, Klara and the Nutcracker are lost. Tired they fall asleep in the snow.

–INTERMISSION–

## Act II

Klara wakes to find all the snow gone and the forest in full summer bloom. Amazed, she wakes the Nutcracker. The ice has turned to water with beavers, frogs and squirrels guiding Klara and the Nutcracker ever deeper into the forest until they come face to face with Lady and Lord Birch. Klara and the Nutcracker, explaining that they are lost, are welcomed to stay to meet some of the animals and flowers of the woods.

Raccoons, loons, dragonflies, bears, cottontail rabbits, flowers, a giant spruce tree and the small animals living under its branches, entertain the two guests of the forest. Finally Lord and Lady Birch sway their majestic crowns in a twirling pas de deux. Klara is exhilarated by the warm welcome and applauds them all. Bidding farewell, Klara and the Nutcracker fall asleep as they are escorted out of the forest by two bears. When Klara wakes, she is alone, back in the school house. It was all just a dream! She runs to the window, but sees no one, as she disappointedly turns back she notices her old wooden Nutcracker on the school desk and remembers her dream — she is not alone — her new world is full of beauty — places, people and creatures to meet!
